Special Rules

This Department is exclusively for regularly enrolled students in recognized Agriculture Education Departments of Montana. The members exhibiting must be in good standing in their school and the exhibits must be selected from regular project activities, except grains and forage crops. All projects must be at the Fairgrounds by Monday of Fair week at noon. If you have an item to sell, please submit sale information to the Superintendent two weeks before project entries are due at the fair. Exhibitors in this Department will be eligible to exhibit in other Departments if otherwise eligible. Only one entry will be permitted in each lot. Agriculture Education students are not eligible to enter in the 4-H Club Department except where the agriculture students are regularly enrolled in 4-H Club work and in this event, they must have two separate exhibits.

Division 1 Chapter Exhibits

Class 00 - Chapter Project Exhibits

Chapter Project Exhibits Space will be allotted equally to six chapters to display projects. As long as a chapter brings a display each year, they will retain their space. Failure to bring a display will result in forfeit of allotted space and the next school in line will take over the space. Projects will be judged individually on the workmanship and merit of that project and given a 1st, 2nd, or 3rd place ribbon. Each chapter entering a minimum of 12 projects will be paid a \$60 premium. Chapter displays will be judged on the quality of projects and how well it represents a typical Agriculture Education program. Grain or hay samples may be a part of this display.

Premiums:

1st - \$50.00 2nd - \$40.00 3rd - \$30.00 4th - \$20.00

(Premiums will be issued to each school c/o FFA Leader)

Division 2 Wood, Metal- Best of Show

After the projects are judged, the judge will pick one metal project and one wood project for best of show in each category. A ribbon plus \$10.00 prize money will be awarded to these individuals.
